

TO ALL MEMBERS

Dear Sir/Ma,

IPAN 11TH MANDATORY TRAINING WORKSHOP AND 2010 ANNUAL GENERAL MEETING (AGM)

This is to inform you that the Institute's **11th Mandatory Training Workshop** has been slated for **Tuesday, 27th** and **Wednesday, 28th April 2010 at Oranmiyan Hall of Lagos Airport Hotel, Ikeja, Lagos at 9.00 am** daily.

The Institute's **Annual General Meeting (AGM)** will come up in the afternoon of Day 1 after the first technical session.

The Workshop theme is: **THE USE OF HIGH PRECISION INSTRUMENTS IN LABORATORY ANALYSIS**

Topics for discussion include:

- ✚ The Use of HPLC in Laboratory Analysis**
- ✚ Theory, Principles and Application of AAS in Laboratory Analysis**
- ✚ The Use of GC-MS in Laboratory Analysis**
- ✚ Inductively Coupled Plasma (ICP) and its use in Laboratory Analysis**
- ✚ Benefits of Material Specifications as Essential Criteria in the Purchase of Automated Analytical Equipment**

The 2-day Workshop is divided into 3 sessions. The first day will feature opening session and one technical session, while the remaining two technical sessions will come up on the second day.

Registration fees per participant, for members is **₦ 20, 000.00**, **₦ 40,000.00** for non-members and **₦ 10, 000.00** for student members. The fee covers all workshop materials, tea/coffee and lunch.

Please note that the objective of Mandatory Training Workshops is to make every Public Analyst a better professional. It is therefore **mandatory for all members to attend**.

Members are also reminded that attendance of Mandatory Training Workshops attracts credit points, and each member is required to score a minimum of ten points in a year.

Please, fill the attached [registration slip](#) and send to the Secretariat or call to confirm attendance. Your prompt response will facilitate further planning of the programme.

Thank you.
