

TO ALL IPAN STUDENT MEMBERS

Dear Sir/Ma,

INVITATION TO IPAN 11TH MANDATORY TRAINING WORKSHOP ON THE USE OF HIGH PRECISION INSTRUMENTS IN LABORATORY ANALYSIS

This is to inform you that the Institute's **11th Mandatory Training Workshop** has been slated for **Tuesday 27th** and **Wednesday, 28th April, 2010** at the **Oranmiyan Hall of Lagos Airport Hotel, Ikeja, Lagos** at **9.00 am** daily.

You are hereby invited to participate in the mandatory training as student member.

The Institute's **Annual General Meeting (AGM)** (*members only*) will come up in the afternoon of day 1 after the first Technical session.

The Workshop theme is: **THE USE OF HIGH PRECISION INSTRUMENTS IN LABORATORY ANALYSIS**

Topics for discussion include:

- ✚ The Use of HPLC in Laboratory Analysis**
- ✚ Theory, Principles and Application of AAS in Laboratory Analysis**
- ✚ The Use of GC-MS in Laboratory Analysis**
- ✚ Inductively Coupled Plasma (ICP) and its use in Laboratory Analysis**
- ✚ Benefits of Material Specifications as Essential Criteria in the Purchase of Automated Analytical Equipment**

Registration fee for Student member is **₦ 10, 000.00** per participant. *The fee covers all workshop materials, tea/coffee and lunch.*

Please note that the objective of Mandatory Training Workshops for trainees is to orientate them into the rudiments of the practice of the profession of Public Analysts. It is therefore essential for all trainees to attend.

Please, fill the [registration slip](#) and send to the Secretariat or call to indicate your attendance and mode of payment. Your prompt response will facilitate further planning of the programme.

Thank you.
